

Table of Contents

Susan's introduction:	17
Eric's introduction:.....	17
<i>Making use of this Clinical Guide</i>	24
How to navigate:	24
A note about the overall organization of this book	25
The origin of these point combinations	25
A note about the use of bolded point numbers and (*) designations:	26
Pairing this <i>Clinical Guide</i> with <i>Volume One</i> :	26
A note about the order in which points are listed within needle combinations and needling instructions:	27
Treatment commentary and case histories:	27
A Recipe Book?	28
A message from Susan:.....	29
<i>Acknowledgements</i>	30
<i>Headaches and Migraines (general information)</i>	31
Magic Points for headaches	31
Channels and Wind.....	31
Anger and Depression	34
Bleeding and Headaches	37
Cupping and Headaches	39
<i>Headache Treatments (differentiated by type)</i>	41
Blood stagnation headaches	41
Frontal headache	41
Hormone-related headaches.....	45
Migraines or Tai Yang Area headaches	48
Occipital/Posterior headache	50
Ocular migraine (with aura or retinal migraine):	55
Sinus headache (due to common cold or allergy)	57
Temple/Tension headache	58
Vertex headache.....	60
Whole-head headache	61

Brain Disorders 62

Brain inflammation and neurological diseases: 62
Acute concussion: 99
Alzheimer’s disease: 100
Brain tumor: 102
Coma or unconsciousness: 106
Dizziness: 106
Drooling due to brain injury: 108
Fainting emergency points (traumatic injury or dizziness/fainting due to acupuncture/stuck needle): 109
Meniere’s disease or Mal de Debarquement Syndrome: 110
Meningitis: 112
Stroke-related paralysis (including aphasia): 112

Facial Disorders 122

Bell’s Palsy, facial paralysis (including post-stroke): 122
Bruxism: 124
Cheekbone pain: 124
Facial paralysis and numbness (hysterical): 125
Facial twitch: 125
Jaw pain/TMJ: 126
Trigeminal neuralgia: 127
Supraorbital pain: 128
Eyebrow pain: 129

Eye Disorders 129

General treatment for eye diseases: 130
Astigmatism: 131
Black circles around the eyes: 131
Blurred vision due to fatigue: 131
Cataracts: 132
Conjunctivitis: 132
Detached retina: 132
Deviated eyes and optic nerve atrophy: 133
Diabetic retinopathy: 133
Double vision: 134
Dry or tearing eyes: 134

Eye pain (due to Liver excess):	135
Eyelid tic or twitch:	136
Eyelids heavy or unable to open:	136
Floaters:	137
Glaucoma:	137
Herpes in the eye:	139
Macular degeneration:	140
Nearsightedness:	141
Farsightedness:	142
Night blindness:	142
Optic nerve atrophy:	142
Red and swollen eyes (keratitis):	143
Stye:	143
Trachoma:	143
Ear Disorders	144
Deafness or tinnitus:	144
Ear pain and/or otitis media:	147
Excessive wax or itching in the ear:	148
Nasal Disorders	149
The following points are especially effective for treating diseases affecting the nose:	149
Allergic sinusitis, nasal atrophy, or polyps:	151
Nasal dryness:	151
Nasal polyps:	152
Nosebleed:	152
Nose pain (bone and cartilage):	153
Red (alcoholic) nose:	153
Rhinitis:	153
Sinus congestion:	154
Mouth and Throat Disorders	155
Bad breath (halitosis):	155
Burning mouth syndrome:	156
Deviation of the mouth:	156
Drooling:	156
Dry mouth:	157

Fish bone stuck in the throat:.....	157
Goiter:.....	158
Growth in the throat:	158
Gum pain:	158
Mouth ulcer:.....	158
Mumps (parotitis):.....	159
Plum pit qi:.....	160
Scrofula (swollen lymph nodes in the neck):.....	160
Sore throat:.....	160
Sublingual swelling:	161
Taste loss (with loss of smell):.....	162
Tongue pain:.....	162
Tongue stiffness and difficulty speaking:	163
Tonsillitis:.....	164
Toothache (differentiated):.....	164
Tumor in the throat:.....	165
<i>Musculoskeletal Disorders</i>	<i>166</i>
Introductory thoughts	166
Master Tung's Gallbladder Points	166
Qi and blood circulation and detoxification:.....	168
Tonifying yang, strengthening qi and blood, and nourishing essence:.....	170
The San Cha Points	171
Tissue correspondences	171
<i>Bone disorders.....</i>	<i>172</i>
Arthritis (general):	172
Osteoarthritis:.....	173
Rheumatoid Arthritis:	178
Bone spurs:.....	178
Bone inflammation, deformity or swelling of the bones (including bone steaming):	181
Broken bones or stress fractures:	183
<i>Neuromuscular Disorders.....</i>	<i>184</i>
Introductory thoughts:	184
ALS (Amyotrophic Lateral Sclerosis), aka Lou Gehrig's disease:	186
Muscle atrophy.....	191

Muscle spasms or cramping:	192
Numbness/peripheral neuropathy:.....	194
Pain (miscellaneous):.....	196
Paralysis:	198
Reflex Sympathetic Dystrophy (RSD):.....	212
Whole-Back Pain	213
Ankylosing spondylitis:	213
Back pain or spasm (whole back):	215
Back pain on both sides:.....	215
Mid-back pain:	216
Scoliosis:	216
Spine pain:	217
Spinal degeneration (osteoarthritis and osteoporosis):	219
Neck and Upper Back Disorders	219
Chronic or severe neck pain, especially Tai Yang area (whiplash, concussion, stiffness):.....	220
Neck pain (Shao Yang area/lateral):	223
Neck pain/stiffness (Tai Yang area/fallen pillow syndrome):.....	224
Neck pain due to bone spurs:.....	225
Neck - Torticollis:	227
Scapular pain:	228
Upper back pain or tension:	229
Lower Back Pain/Sciatica.....	230
Diagnostic for the practitioner:	230
Acute lumbar strain:	231
Lower back pain:.....	233
Lower back and groin pain:	235
Lower back stiffness:	236
Bulging or herniated disc (L5-S1):.....	237
Sciatica - General (UB, GB, SP and ST):.....	239
Sciatica - Urinary Bladder channel (L5-S1):	241
Sciatica - Gallbladder channel (L4-L5):	242
Sciatica – Both UB and GB channels:.....	243
Sciatica – Spleen/Stomach channel (groin to front of thigh):	243
Tailbone or sacral pain:	244

Shoulder Disorders.....	245
Acromium pain:	246
Armpit odor:	246
Clavicular pain or broken clavicle:	246
Shoulder pain (with difficulty raising arm):	247
Shoulder pain - frozen shoulder:	248
Shoulder pain (rotator cuff or deltoid):	250
Shoulder pain - Shao Yang (SJ) Channel (patient cannot put their hand behind their back or move their shoulder forward and back):	251
Shoulder pain - Yang Ming (LI) Channel (patient cannot turn their arm or raise their arm to the side):	251
Shoulder and arm pain:	252
Shoulder, elbow, wrist, hand and/or finger pain – one-sided (related to ligaments or tendons):	253
Upper Arm Disorders	253
Lymphedema of the arm (due to breast cancer surgery):	253
Tingling in the fingers, hand, and arm:	254
Upper arm pain:	254
Elbow Disorders.....	255
Elbow pain - general:	255
Elbow pain - anterior PC3/LU5 area:	255
Golfer’s elbow - Small Intestine channel/medial:	255
Swollen elbow - bursitis:	255
Tennis elbow - Large Intestine channel/lateral:	256
Tennis elbow - San Jiao channel/dorsal:	256
Forearm, Wrist and Hand Disorders	257
Forearm spasm:	257
Wrist pain (carpal tunnel):	258
Wrist pain (radial - Yang Ming (LI) side of wrist):	259
Wrist pain (ulnar - Tai Yang [SI] side of the wrist):	260
Wrist sprain:	261
Hand pain:	261
Hand pain (palmar - thenar eminence):	262
Hand tremors in the elderly:	262
Hand weakness (loss of firm hand grip):	263

Hand numbness (including peripheral neuropathy):	264
Hands and feet (cracked and bleeding):.....	265
Hand and foot pain:.....	265
Hand spasms (after stroke):	265
Hands sweating (hyperhidrosis):.....	266
Finger contracture (difficulty opening and closing the hand):.....	266
Finger cramps:	266
Finger deformity (rheumatoid arthritis):.....	266
Finger, palm or thumb pain:.....	268
Thumb pain:.....	268
Thumb pain (first metacarpal bone):	269
Trigger finger:	269
<i>Chest, Torso and Abdomen (Musculoskeletal)</i>	270
Chest contusion:	270
Chest pain involving the back:.....	271
Chest pain (muscular):.....	271
Costal or intercostal pain (rib pain):.....	272
Rib pain that has moved from the chest to the sides:	273
Muscular cramping in the chest:	273
Rickets (protrusion of the manubrium):.....	273
Sternum pain:	274
REN channel pain:.....	274
Pain around the navel with lower back pain:.....	274
<i>Hip, Butt, and Groin Pain</i>	274
Gluteal muscle pain (including hamstring strain or spasm):	274
Groin pain:	275
Hip pain:.....	276
Hip to knee pain:	278
Tailbone or sacral pain:	278
<i>Leg Disorders.....</i>	279
Arthritic pain in the legs:	280
Calf or leg muscle injury, spasm, or cramping:	280
Edema (swelling in the lower legs and ankles):.....	284
Leg numbness (including peripheral neuropathy):	286

Legs painful and cold:	287
Leg pain and weakness:.....	288
Polio, muscle atrophy or weakness of legs:	290
Restless leg syndrome:	291
Shaky or weak legs (Parkinson’s, neuropathy, etc.):	291
Swelling or edema in the legs and/or weakness:	292
Thigh pain:	292
<i>Knee Disorders.....</i>	293
Bone spurs (knee or heel) or medial knee pain due to injury:.....	295
Cold pain of the knees:	297
Fluid in the knee:	297
Knee pain (acute or common):	297
Knee pain (degenerative):	298
Knee pain (lateral):	301
Knee pain (posterior UB channel):	301
Patellar pain:.....	302
<i>Foot and Ankle Disorders</i>	302
Achilles tendon pain (including plantar fasciitis):	303
Ankle pain:	304
Bunions:.....	307
Cramping of the foot:	307
Drop foot:	308
Foot numbness (including peripheral neuropathy and diabetic neuropathy):.....	308
Foot pain - ankle, heel, or toe:	311
Foot pain - ball of the foot (also known as accelerator pedal foot pain):.....	312
Foot pain - dorsum of the foot swollen and red:	313
Foot pain - heat of five centers:	314
Foot pain - instep or sole of the foot:.....	314
Foot pain - top of the foot:.....	315
Foot pain - vascular:	315
Gout:	317
Hammertoes:.....	319
Heel pain:.....	319
Heel spurs:.....	321

Neuroma:.....	321
Plantar fasciitis:	321
Toe deformity (rheumatoid arthritis):.....	322
Toe numbness:	322
Toe pain:	322
<i>Internal Disorders of the Upper Jiao</i>	323
<i>Chest Oppression</i>	323
General commentary on anxiety:.....	323
Chest heaviness, oppression, and anxiety:.....	326
Palpitations (with anxiety):.....	326
Severe chest oppression with difficulty breathing, stuffiness of the chest, distention of the stomach affecting the chest (not heart related):	327
<i>Heart Disorders</i>	329
Angina (severe) or heart attack:.....	332
Arteriosclerosis (also known as bilateral Heart pain):	334
Congestive heart failure:	335
Coronary heart disease, angina (acute or chronic):	335
Heart-related edema in the legs and feet:	337
Heart numbness (patient is agitated, cannot lie down, cannot sit still):	338
Heart rate irregular (arrythmia):	339
Heart rate fast (tachycardia):	340
Heart rate slow (bradycardia, with or without palpitations):	342
Myocarditis (heart muscle infection after flu or cold):	342
Pain behind the heart:.....	343
Rebuilding Heart qi after yang collapse:	344
Rheumatic heart disease (pain in both sides of the heart):	344
Waking at night with heart pounding:	345
<i>Lung Disorders.....</i>	345
Asthma (general):	347
Asthma (acute or emergency):.....	350
Asthma, cold type - Spleen qi deficient or Kidney yang deficient:.....	352
Asthma, hot type - yang excess or Kidney yin deficient:.....	356
Asthma (due to anxiety):	357

Asthma (allergic):.....	358
Asthma and heart disease:.....	358
Asthma or cough:	359
Cold/flu:.....	360
Bronchitis or Cough:.....	367
Cough, Horary and Transporting Points (Dr. Young, 2008):.....	369
Emphysema:.....	370
Pleuritis:.....	370
Pneumonia:.....	371
Tuberculosis (Dr. Young, 2008):	372
<i>Internal Disorders of the Middle Jiao.....</i>	372
<i>Liver and Gallbladder Diseases.....</i>	372
Ascites or abdominal edema related to the Liver:.....	376
Cirrhosis:.....	377
Fatigue due to liver:.....	378
Gallbladder inflammation or gallstones:.....	379
Hepatitis A, B, or C (acute or chronic):.....	383
Hypochondriac pain:.....	388
Jaundice:.....	388
Non-alcoholic fatty liver disease (NAFLD, also known as Metabolic Liver Disease):.....	389
<i>Spleen/Stomach (Digestive and Intestinal Diseases).....</i>	402
Introductory thoughts:.....	402
Abdominal pain, indigestion, gas or bloating, diarrhea, SIBO, IBS or Crohn’s, and celiac disease:.....	405
Abdominal and chest congestion:.....	414
Acid reflux (and bad breath):.....	415
Anal prolapse:.....	418
Anal sphincter spasm or spastic colon:.....	420
Appendicitis:.....	420
Candida albicans:.....	421
Constipation:.....	423
Cramps due to cholera/gastroenteritis:.....	425
Diabetes mellitus (type 2 - T2D):.....	425
Metabolic dysregulation, insulin resistance and obesity, and continuous blood glucose monitoring:.....	435
Omega-3 to omega-6 ratio, seed oils and insulin resistance:.....	444

Spleen fatigue:.....	449
Gastroenteritis:.....	449
Hemorrhoids:.....	449
Hernia:	452
Hiccups or burping:.....	453
Intestinal issues:	454
Nausea:	457
Pancreatitis:	459
Paralytic colon (post-anesthesia):	461
Roundworms:	462
Splenomegaly (inflammation of the spleen):	462
Stomach disorders:.....	462
Stomach ulcer:.....	469
<i>Internal Disorders of the Lower Jiao</i>	<i>471</i>
<i>Kidney and Urinary Bladder Disorders</i>	<i>471</i>
Urinary tract infection (UTI), interstitial cystitis (IC)/bladder spasms, urethra pain and painful urination: ...	474
Bladder prolapse:	480
Edema (differentiated):.....	481
Nephritis:	485
Night sweats (due to Kidney yin deficiency):	487
Polycystic kidney disease (PKD) (and polycystic liver):	487
Failure to urinate or urinary difficulty:	491
Kidney failure with inability to urinate, uremia:	492
Frequent urination or incontinence (without infection):.....	494
Turbid urine (<i>Lin Zheng</i>):	497
Urinary stones:	499
<i>Male Urinogenital Disorders</i>	<i>502</i>
Blood in the semen (with radiating pain):.....	503
Impotence and male sexual dysfunction:.....	503
Infertility and nocturnal emissions (including low sperm count or motility):.....	506
Penile inflammation or infection, including genital herpes:	508
Premature ejaculation:.....	509
Prostate enlargement:.....	510
Prostatitis:.....	513

Testicular pain or inflammation (orchitis):.....	514
Urine stream weak, not smooth:.....	514
Gynecological Disorders.....	515
DUTCH Plus hormone testing	515
Irregular menses, including amenorrhea, delayed menses, spotting, or avalanche bleeding:	524
Birth control pills:	528
Breast congestion, inflammation and/or tumor:	529
Cervical dysplasia:.....	531
Dysmenorrhea:.....	531
Cyclical/hormonally related headaches:	537
Fibroids or tumors, tipped uterus (for fibroids in pregnancy, <i>see Fertility, Pregnancy and Childbirth</i>):	537
Frigidity:.....	543
Hormonal imbalance causing dark patches on the face:	544
Interstitial cystitis:	544
Leukorrhea:.....	544
Premenstrual Syndrome (PMS):	545
Urinary Tract Infections:.....	546
Uterine prolapse:.....	548
Vaginal itching (including yeast infection):	550
Vaginitis:	550
Vulvovaginitis (including vulvodynia):	551
Gynecological Disorders, Menopause:.....	552
Acne after menopause (<i>see Skin Diseases: Acne</i>)	552
Avalanche bleeding:	553
Menopausal hot flashes and night sweats:.....	554
Menopausal hormonal imbalance (causing anger and depression):	554
Fertility, Pregnancy and Childbirth:	556
Allergies (during pregnancy):	559
Anxiety (during pregnancy):	559
Breech or posterior baby:.....	559
Edema (during pregnancy):	562
Coccyx broken (during labor/delivery):.....	562
Cramping in the foot and leg (during pregnancy):	562
Fibroids (during pregnancy):	563

Gestational diabetes:.....	564
Gestational hyperthyroid:	564
Herpes and pregnancy (preventing outbreaks):	564
Infertility:	565
Labor induction:.....	572
Mastitis:	576
Morning sickness (stop vomiting and stabilize pregnancy):	578
Postpartum care:	579
Postpartum fever or wind:	581
Postpartum rectocele:	581
Preeclampsia (toxemia):	582
Pregnancy tune-up (ML10 modification):	583
Retained placenta:.....	584
Severe hemorrhoids after IVF conception:	585
Stabilizing pregnancy (and habitual miscarriage):	585
Stopping lactation or insufficient lactation:	589
Uterine pain (due to abortion) or inevitable abortion:	590

Pediatrics: **592**

Chicken pox (Varicella Zoster Virus):.....	597
Common cold, flu, sore throat, fever, vomiting:	597
Cough, asthma, pneumonia, or lung problems:	599
Digestive disorders or failure to thrive:.....	601
Digestive disorders, colic:	604
Enuresis (bed wetting):.....	608
Hiccups.....	609
Insomnia, nightmares, twitching or crying at night:	610
Jaundice in newborns	611
Mental health (stress, anxiety, hyperactivity and ADD):	611
Motion sickness:	613
Nosebleeds:	613
Skin issues (eczema, psoriasis, rashes):.....	613
Strabismus (lazy eye):	614
Tonsillitis:	614
Thrush:.....	614
Undescended testes (cryptorchidism):	614

Miscellaneous Diseases..... 615

Functional Medicine and TCM: 615

Testing resources:..... 628

Immune and Autoimmune Diseases: 632

Anti-inflammatory herbs and the treatment of exhaustion and depletion in autoimmune diseases: 638

TCM, Tung's and immunity:..... 643

General Immune/Autoimmune treatment: 645

Addison disease (primary adrenal insufficiency/adrenal fatigue): 648

Autoimmune Thyroid - Graves' disease: 653

Autoimmune Thyroid - Hashimoto's thyroiditis:..... 654

Celiac disease:..... 660

Chicken pox (Varicella Zoster Virus):..... 661

COVID and Long-COVID (aka NeuroCOVID):..... 663

Crohn's disease and diagnostic stool analysis: 672

Diabetes type 1 (T1D): 686

Epstein Barr Virus (EBV): 694

Fatigue and Chronic Fatigue Syndrome/Myalgic Encephalomyelitis (CFS/ME): 697

Fibromyalgia: 705

Hepatitis (autoimmune): 710

Human Herpesvirus 6 (HHV-6) 710

Human Immunodeficiency Virus (HIV): 715

Lupus/lupus nephritis:..... 717

Lyme disease and coinfections (Babesia, Bartonella, Borrelia, Erlichia). 721

Multiple Sclerosis (MS):..... 725

Myasthenia gravis:..... 730

Pemphigoid/Pemphigus: 737

Persistent infections and biofilms: 739

Psoriasis/eczema: 755

Rheumatoid arthritis (RA):..... 765

Scarlet fever:..... 768

Sjögren's syndrome: 769

Vitiligo: 774

Blood and circulatory diseases: 776

Blood diseases (general):.....	778
Anemia and/or blood deficiency:	780
Coagulation disorders and/or excessive bleeding:	781
Coldness of the body and limbs (including Raynaud’s Disease):	789
Delayed healing of wounds (including abscess or bed sores):.....	791
Hypercholesterolemia:	791
Hypertension and Hypotension:.....	793
Varicosities:	793
Venous Aneurysm:.....	795
White blood cell disorders.....	795
Cancer	796
Mental Health and Addiction:	808
Prefrontal brain and cognitive function:	808
Addiction, detoxification, and drug withdrawal:.....	809
Anxiety, stress, or depression:	812
Delayed or developmental disabilities:	819
Hyperactivity in adults (attention deficit disorder):.....	820
Insomnia:	821
Mental confusion (due to phlegm masking the orifices):	826
Nightmares and fear (waking at night with heart pounding/high cortisol):	829
Psychosis:.....	830
Skin diseases:	831
Acne:.....	833
Dermatitis (on the hands):	834
Excessive sweating (hyperhidrosis):	835
Herpes simplex virus - HSV-1 (oral) and HSV-2 (genital):	835
Itching, rashes, and skin allergies:.....	837
Itching (severe: poison oak, poison ivy, etc.):	840
Psoriasis/eczema:	840
Rosacea:.....	841
Scleroderma (thickening of the skin):	841
Shingles/Herpes Zoster:.....	842
Urticaria (hives):	846

Thyroid conditions (including goiter)	847
Hashimoto’s thyroiditis:	847
Hyperthyroid:.....	847
Hypothyroidism:	850
Goiter:.....	851
Weight loss, weight gain, diet, and nutrition:	853
The Spirit of Food - Dani Compain, L.Ac.	858
Poor appetite, inability to gain weight, anorexia, bulimia:	885
Weight loss and obesity:	888
Excessive eating and constant hunger:	891
Weight gain without overeating:.....	891
Wind disorders:	893
Convulsions:.....	896
Epilepsy.....	898
Heat stroke:	904
Hypertension:	904
Hypotension:	911
Parkinson’s disease:.....	912
Postural orthostatic tachycardia syndrome (POTS):	915
Syncope (fainting or passing out):	916
Vertigo:	918
Additional:	920
Exhaustion and fatigue:.....	920
Hair loss (alopecia):	920
Longevity protocol (moxa):	922
Helpful Clinical References	923
Handy Cun Measurements:	923
Horary Chart	924
Reaction Areas	925
Special Relationships, the Real Magic of Tung’s Points	933
Transporting Points	934
