Sore throat	189
Sublingual swelling	190
Taste loss (with loss of smell)	190
Tongue pain	191
Tongue stiffness and difficulty speaking	191
Tonsillitis	192
Toothache (differentiated)	192
Tumor in the throat	194
<b>Musculoskeletal Disorders</b>	<b>195</b>
Introductory thoughts	195
Master Tung's Gallbladder Points	195
Qi and blood circulation and detoxification	196
Tonifying yang, strengthening qi and blood, and nourishing essence	198
The San Cha Points	199
Tissue correspondences	200
<b>Whole-Back Pain</b>	<b>200</b>
Ankylosing spondylitis	200
Back pain or spasm (whole back)	202
Back pain on both sides	203
Mid-back pain	204
Scoliosis	204
Spine pain	205
Spinal degeneration (osteoarthritis and osteoporosis)	206
<b>Neck and Upper Back Disorders</b>	<b>207</b>
Chronic or severe neck pain, especially Tai Yang area (whiplash, concussion, stiffness)	207
Neck pain (Shao Yang area/lateral)	210

## *Master Tung's Magic Points, Volume 3: The Clinician's Best Friend*

Neck pain/stiffness (Tai Yang area/fallen pillow syndrome)	211
Neck pain due to bone spurs	213
Neck - Torticollis	214
Scapular pain	216
Upper back pain or tension	216
<b>Lower Back Pain/Sciatica</b>	<b>218</b>
Diagnostic for the practitioner	218
Acute lumbar strain	219
Lower back pain	221
Lower back and groin pain	223
Lower back stiffness	224
Bulging or herniated disc (L5-S1)	225
Sciatica - General (UB, GB, SP and ST)	227
Sciatica - Urinary Bladder channel (L5-S1)	229
Sciatica - Gallbladder channel (L4-L5)	230
Sciatica – Both UB and GB channels	231
Sciatica – Spleen/Stomach channel (groin to front of thigh)	231
Tailbone or sacral pain	232
<b>Shoulder Disorders</b>	<b>233</b>
Acromium pain	234
Armpit odor	234
Clavicular pain or broken clavicle	234
Shoulder pain (with difficulty raising arm)	235
Shoulder pain - frozen shoulder	236
Shoulder pain (rotator cuff or deltoid)	238
Shoulder pain - Shao Yang (SJ) Channel (patient cannot put hand behind back or move shoulder forward and back)	239
Shoulder pain - Yang Ming (LI) Channel (patient cannot turn arm or raise arm to side)	239
Shoulder and arm pain	240
Shoulder, elbow, wrist, hand and/or finger pain – one-sided (related to ligaments or tendons)	241
<b>Upper Arm Disorders</b>	<b>241</b>
Lymphedema of the arm (due to breast cancer surgery)	241
Tingling in the fingers, hand, and arm	242
Upper arm pain	242
<b>Elbow Disorders</b>	<b>243</b>
Elbow pain - general	243
Elbow pain - anterior PC3/LU5 area	243

## *Master Tung's Magic Points, Volume 3: The Clinician's Best Friend*

Golfer's elbow - Small Intestine channel/medial	243
Swollen elbow - bursitis	244
Tennis elbow - Large Intestine channel/lateral	244
Tennis elbow - San Jiao channel/dorsal	244
<b>Forearm, Wrist and Hand Disorders</b>	<b>245</b>
Forearm spasm	245
Wrist pain (carpal tunnel)	246
Wrist pain (radial - Yang Ming (LI) side of wrist)	247
Wrist pain (ulnar - Tai Yang [SI] side of the wrist)	248
Wrist sprain	249
Hand pain	249
Hand pain (palmar - thenar eminence)	250
Hand tremors in the elderly	250
Hand weakness (loss of firm hand grip)	251
Hand numbness (including peripheral neuropathy)	252

Finger contracture (difficulty opening and closing the hand)	254
Finger cramps	254
Finger deformity (rheumatoid arthritis)	255
Finger, palm or thumb pain	256
Thumb pain	257
Thumb pain (first metacarpal bone)	257
Trigger finger	258
<b>Chest, Torso and Abdomen (Musculoskeletal)</b>	<b>258</b>
Chest contusion	259
Chest pain involving the back	259
Chest pain (muscular)	260
Costal or intercostal pain (rib pain)	260
Rib pain that has moved from the chest to the sides	261
Muscular cramping in the chest	261
Rickets (protrusion of the manubrium)	262
Sternum pain	262
REN channel pain	262
Pain around the navel with lower back pain	262

## *Master Tung's Magic Points, Volume 3: The Clinician's Best Friend*

<b>Glute, Groin, Hip and Sacral Pain</b>	<b>263</b>
Gluteal muscle pain (including hamstring strain or spasm)	263
Groin pain	263
Hip pain	265
Hip to knee pain	266
Tailbone or sacral pain	267
<b>Leg Disorders</b>	<b>268</b>
Arthritic pain in the legs	268
Calf or leg muscle injury, spasm, or cramping	268
Edema (swelling in the lower legs and ankles)	272
Leg numbness (including peripheral neuropathy)	274
Legs painful and cold	275
Leg pain and weakness	276
Polio, muscle atrophy or weakness of legs	279
Restless leg syndrome	279
Shaky or weak legs (Parkinson's, neuropathy, etc.)	280
Swelling or edema in the legs and/or weakness	280
Thigh pain	280
<b>Knee Disorders</b>	<b>281</b>
Bone spurs (knee or heel) or medial knee pain due to injury	284
Cold pain of the knees	285
Fluid in the knee	285
Knee pain (acute or common)	286
Knee pain (degenerative)	287
Knee pain (lateral)	289
Knee pain (posterior UB channel)	290
Patellar pain	290
<b>Foot and Ankle Disorders</b>	<b>291</b>
Achilles tendon pain (including plantar fasciitis)	291
Ankle pain	292
Bunions	295
Cramping of the foot	296
Drop foot	296
Foot numbness (including peripheral neuropathy and diabetic neuropathy)	297
Foot pain - ankle, heel, or toe	300
Foot pain - ball of the foot (also known as accelerator pedal foot pain)	300
Foot pain - dorsum of the foot swollen and red	302

## *Master Tung's Magic Points, Volume 3: The Clinician's Best Friend*

Foot pain - heat of five centers	302
Foot pain - instep or sole of the foot	303
Foot pain - top of the foot	303
Foot pain - vascular	304
Gout	306
Hammertoes	308
Heel pain	308
Heel spurs	309
Neuroma	310
Plantar fasciitis	310
Toe deformity (rheumatoid arthritis)	310
Toe numbness	311
Toe pain	311
<b>Internal Disorders of the Upper Jiao</b>	<b>312</b>
<b>Chest Oppression (Anxiety/Gastric related Chest Pain)</b>	<b>312</b>
General commentary on anxiety	312
Chest heaviness, oppression, and anxiety	315
Palpitations (with anxiety)	315
Severe chest oppression with difficulty breathing, stuffiness of the chest, distention of the stomach affecting the chest (not heart related)	315
<b>Heart Disorders</b>	<b>318</b>
Angina (severe) or heart attack	321
Arteriosclerosis (also known as bilateral Heart pain)	323
Congestive heart failure	324
Coronary heart disease, angina (acute or chronic)	324
Heart-related edema in the legs and feet	326
Heart numbness (patient is agitated, cannot lie down, cannot sit still)	327
Heart rate irregular (arrhythmia)	328
Heart rate fast (tachycardia)	329
Heart rate slow (bradycardia, with or without palpitations)	331
Myocarditis (heart muscle infection after flu or cold)	332
Pain behind the heart	332
Rebuilding Heart qi after yang collapse	333
Rheumatic heart disease (pain in both sides of the heart)	333
Waking at night with heart pounding	334
<b>Lung Disorders</b>	<b>334</b>
Asthma (general)	336

## *Master Tung's Magic Points, Volume 3: The Clinician's Best Friend*

Asthma (acute or emergency)	339
Asthma, cold type - Spleen qi deficient or Kidney yang deficient	341
Asthma, hot type - yang excess or Kidney yin deficient	345
Asthma (due to anxiety)	346
Asthma (allergic)	347
Asthma and heart disease	347
Asthma or cough	348
Cold/flu	349
Bronchitis or Cough	356
Cough, Horary and Transporting Points (Dr. Young, 2008)	357
Emphysema	359
Pleuritis	359
Pneumonia	360
Tuberculosis (Dr. Young, 2008)	361
<b>Internal Disorders of the Middle Jiao</b>	<b>362</b>
